Family ACCESS Night

Tuesday, November 21, 2017

5:30-7:00pm | Dinner 5:30-6pm

Adams City High School—Cafeteria

Every year, students who are English language learners take the ACCESS test to measure their level of English.

Come and learn how your student is supported at ACHS as they learn English.

Parents will learn how to read their child's ACCESS test results and learn how we can work together to help them become bilingual. Our English Language Development teachers will be present with resources for both students and parents.

Dinner, Childcare and Interpretation provided at no cost!
