Student Information	
Date of first Colorado driver's license or ID:	
Driver's license or ID number:	
USCIS #/ A #:	

When applying to college all students are asked to present information about their residency in order to verify whether the student will be classified in-state tuition or out-of-state tuition. In-state-tuition is based on the parents until you (the student) is the age of 23. Parents must have lived at least a year and a day in the state in which you (the student) is attending college. There are also other circumstances in which in-state-tuition can be granted depending on student's personal situation if the student cannot present parent information. Please have your parent fill this form out and return it to me in order to have the correct information to help you (the student) fill out all your college applications.
