# Identifying Topics to Research

# Table Activity

---

- Each team member will write down three topics they would like the DAAC to consider exploring.
- After you've written your three topics, you will then turn to your neighbor and share reasons why you've selected these topics.
- If time permits, each team member at your table will share out to the entire table to share their three topics and reasons for their selection.

# Research Adams 14 BOE Policy

The screenshot shows the Adams 14 website. At the top left is the logo for ADAMS 14 with the tagline "Inspire. Educate. Empower. Inspira. Educa. Fortalece." To the right of the logo is contact information for Adams County School District 14, including the address (5291 East 60th Avenue, Commerce City, CO 80022), phone numbers (303.853.3333 and 303.853.3329), and email (communications@adams14.org). Below the logo is a navigation menu with links for Home, About Us, Schools, Newsroom, Departments, Resources, Careers, and Contact Us, along with a language selection dropdown.

The main banner features a graphic with five yellow stars on a blue background and a portrait of George Washington. The text on the banner reads: "Feb. 19 President's Day | Feb. 19 Día de Los Presidentes. All Adams 14 Schools and Offices Will be Closed. Todas las escuelas y oficinas de Adams 14 estarán cerradas."

Below the banner is a section titled "Board of Education". The text describes the Board of Education as the policy-making body of the District, governing the education of students and the operations of the District within limitations set by the state of Colorado. It notes that the Board is composed of five members elected by registered voters of the District, with elections every two years. Board members are elected at-large and serve four-year terms as volunteers. After the election, Board members elect their own officers. A link is provided to read the Board of Education Policies.

Below this is a section titled "Board of Education Strategic Imperatives" with three bullet points:

- To dramatically improve academic performance, and move the District from Priority Improvement to Accredited with Distinction by the year 2020.
- To significantly empower all families and community members to become engaged partners in their child's education, by creating welcoming environments District-wide that reflect and support a culturally diverse population.
- To intentionally increase and improve communication District-wide, both internally and externally, as well as enhance the resources offered to our current clients and community members.

At the bottom of the section is the heading "The Board of Education Believes:".

- 1.) Research BOE policy related to your topic
2. Research State Law and Federal Law associated with your Topic
