The Board in accordance with applicable law has adopted a written student conduct and discipline code based upon the principle that every student is

expected to follow accepted rules of conduct and to show respect for and to obey persons in authority. The code also emphasizes that certain behavior, especially behavior that disrupts the classroom, is unacceptable and may result in disciplinary action. The code shall be enforced uniformly, fairly and consistently for all students.

All Board-adopted policies and Board-approved regulations containing the letters "JK" in the file name constitute the discipline section of the legally required code.

USE OF PHYSICAL INTERVENTION AND RESTRAINT

[\(School Board Policy JKA\)](#)

To maintain a safe learning environment, district employees may, within the scope of their employment and consistent with state law, use physical intervention and restraint with students in accordance with this policy and accompanying regulation. Such actions shall not be considered child abuse or corporal punishment if performed in good faith and in compliance with this policy and accompanying regulation.

DISCIPLINARY REMOVAL FROM CLASSROOM

[\(School Board Policy JKBA*\)](#)

It is the policy of the Board to maintain classrooms in which student behavior does not interfere with the ability of the teacher to teach effectively or the ability of other students to participate in classroom learning activities.

Students shall be expected to abide by the code of conduct adopted by the Board and any other appropriate classroom rules of behavior established by the building principal and/or classroom teacher for the purpose of maintaining order and a favorable academic atmosphere.

School staff are required to demonstrate a good faith effort to document all violations and interventions in Infinite Campus, consistent with district policy and procedures, prior to taking further disciplinary action.

Any student who violates the code of conduct or other classroom rules may be subject to removal from class and/or disciplinary action. Upon the third formal removal from class, a teacher may remove the student from the teacher's class in accordance with this policy, its accompanying regulation and applicable law.

Student removal from class is a serious measure and should not be imposed in an arbitrary, casual or inconsistent manner. Behavioral expectations are always more constructive and more likely to be followed when they are communicated as clearly as possible to students. However, it is neither possible nor necessary to specify every type of improper or inappropriate behavior, or every circumstance that would justify removal from class under this policy. Teachers are expected to exercise their best professional judgment in deciding whether it is appropriate to remove a student from class in any particular circumstance. All instances of formal removal from class shall be documented.

SUSPENSION/EXPULSION OF STUDENTS WITH DISABILITIES

[\(School Board Policy JK*-2\)](#)

Students with disabilities are neither immune from a school district's disciplinary process nor entitled to participate in programs when their behavior impairs the education of other students. Students with disabilities who engage in disruptive activities and/or actions dangerous to themselves or others will be disciplined in accordance with their Individualized Education Programs (IEPs), any behavioral intervention plan and this policy.

Nothing in this policy shall prohibit an IEP team from establishing consequences for disruptive or unacceptable behavior as a part of the student's IEP and/or behavioral intervention plan..

PARENT ACKNOWLEDGEMENT OF COLORADO STUDENT ATTENDANCE LAWS

COMPULSORY ATTENDANCE AGE LAWS

Every child who has attained the age of six (6) years and is under the age of seventeen (17) is required to attend public school except as otherwise allowed by law. It is the parent's responsibility to ensure that the child attends public school unless the child is enrolled in an independent or parochial school or a non-public home-based (home school) educational program.

TRUANCY

Board of Education Policy JH, available on the District's website, identifies acceptable reasons for excused absences. Students who accumulate ten (10) unexcused absences in a calendar year may be designated as "habitually truant". This may result in school officials implementing truancy interventions such as attendance improvement plans and/or referral to truancy court.
