\* Undergraduate or graduate course work of a new employee taken prior to receiving a teacher's license, but earned after a B.A. degree is granted, will not apply toward horizontal placement on the salary schedule. Graduate hours earned beyond a graduate degree will be evaluated for placement by the Division of Human Resources as to applicability to the education profession and teaching assignment. Horizontal adjustment for course work is based on quarter hours credit.

\* New teachers to the District may earn an additional 10 days of orientation pay at the per diem rate.
