TOPIC: APPROVAL TO RENEW INFINITE CAMPUS STUDENT INFORMATION SYSTEM SUBSCRIPTION

The Infinite Campus renewal fee for 2019-2020 is $84,285.00.

This includes license fees, application hosting and support.

The renewal fee for the student information system will be funded from the 2019-2020 General Fund budget.

Therefore, it is recommended…

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve the renewal of the Infinite Campus student information system for $84,285.00 from the 2019-2020 General Fund budget.
TOPIC: APPROVAL TO PURCHASE A NEW ENGINE REPLACEMENT PER POLICY DJ

Unit T636, a 2008 International CE, requires engine replacement. Catastrophic failure of the cam shaft will require a new engine replacement rather than replacing the cam shaft because of unforeseen damage to other engine parts. Policy DJ requires approval from the BOE when a purchase amount is over $15,000. To expedite returning bus to operational status I am seeking BOE approval for a new engine replacement. Cost will come out of this year’s Capital Reserve budget.

Therefore, it is recommended…

RECOMMENDATION:

…that the board of education of Adams County School District 14 approve spending $20,054.00 with Rush Truck Center out of this year’s Capital Reserve budget.
Superintendent’s Recommendation

TOPIC: APPROVAL OF IN-STATE OVERNIGHT TRAVEL TO ATTEND THE COLORADO ASSOCIATION OF SCHOOL EXECUTIVES (CASE) CONVENTION IN BRECKENRIDGE FROM JULY 23-26, 2019

The executive staff, Darci Mohr, Jeanette Patterson, Brian Childress, Shelagh Burke, John Poynton and Monica Avina are requesting approval to attend the upcoming Leadership Elevated CASE convention in Breckenridge, Colorado.

Registration – $605 (per person-includes pre-conference for members)
Lodging – $1,200 (per person)
Per Diem – $194 (per person)

Therefore, it is recommended…

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve overnight travel for six staff to attend the 2019 Annual CASE Convention on July 23-26, 2019 in Breckenridge, Colorado. The amount not to exceed $12,000 to be paid from the general fund.
June 11, 2019

Superintendent’s Recommendation

TOPIC: APPROVAL TO PURCHASE COPY PAPER FROM LEWIS

To ensure the District is purchasing paper at rates covered under competitive bid Adams 14 staff is recommending to switch paper providers from Veritiv to Lewis paper. Lewis paper is the currently awarded competitively bid vendor for copy paper through CEPC (Cooperative Educational Purchasing Council) to which the District is a member. To maximize savings of approximately 17% the purchased amount will be a full truck load. We estimate our required purchases to be 2.5 truckloads and the total not to exceed $70,000.

Therefore, it is recommended…

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the request to purchase paper from Lewis Paper beginning in June 2019 for fiscal year 2019-20 not to exceed $70,000.
Superintendent's Recommendation

TOPIC: APPROVAL FOR IN-STATE OVERNIGHT TRAVEL TO LOVELAND FOR THE COLORADO ASSOCIATION FOR CAREER & TECHNICAL EDUCATION CONFERENCE FROM JULY 14-18, 2019

Chris Duran, CTE Coordinator at Adams City High School, requests approval to attend the training for Career and Technical Education with his staff (Phillip Castillo, Angelo Serna, Jessica Dilullo, Ellen Heumann, Shawn Moss and Bradley Hughes). This training would allow for participants to engage in professional development opportunities with other colleagues that teach in their area. This will also allow teachers to build networks with colleagues that can offer instructional insight to enhance their current CTE areas.

The cost will come out of the grant fund account for Perkins:

Registration cost: $795 x 7 = $5,565
Hotel cost, Meals and Mileage: $4,838

Total: $10,403

Therefore, it is recommended…

RECOMMENDATION

…that the Board of Education approves the overnight travel to the CACTE conference in Loveland, CO on July 14-18, 2019.

Topic: Approval of the 2019-2020 Preschool Student Calendar

The Preschool student calendar was developed in alignment with the District calendar. The number of days students are in session (137), and the number of days teachers are scheduled (186) are consistent with previous years. The proposed calendar meets the parameters set by state law, collective bargaining agreements, and the District.

Recommendation:

...that the Board of Education of Adams County School District 14 approve the 2019-2020 Preschool student calendar as presented.

The Student Engagement Coordinator will be paid at range 6 step 1 and 228 days per calendar year. Therefore, it is recommended…

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve the conversion of 4.0 Classified FTE to 2.0 FTE Support Tech for the position of Student Engagement Coordinator.

If a sponsor is not secured, the estimated cost is $3,500 to be paid from the 2019-20 general fund budget.

Therefore, it is recommended.....

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve using 2019-20 general fund dollars, not to exceed, $3,500 to purchase refreshments and beverages for its annual Employee Kickoff on August 2, 2019.
The department of curriculum and instruction is planning districtwide professional development on August 5 & 6, 2019 and is requesting permission from the Board of Education to use general fund dollars to purchase lunch for teachers.

If a sponsor is not secured, the estimated cost is $6,400 to be paid from the 2019-20 general fund budget for both days of professional development.

Therefore, it is recommended…

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve using 2019-20 general fund dollars, not to exceed, $6,400 to purchase lunch for teacher professional development on August 5 & 6, 2019.

Superintendent's Recommendation

TOPIC: APPROVAL FOR IN-STATE OVERNIGHT TRAVEL TO COLORADO SPRINGS, CO TO ATTEND THE CPI NONVIOLENT CRISIS INTERVENTION TRAINING ON JUNE 24-27, 2019

The department of Student Services is asking for approval to send two individual to the 2019 CPI Nonviolent Crisis Intervention Training Program on June 24-27, 2019. The CPI training program is considered the global standard for crisis prevention and intervention training. With a core philosophy of providing for the Care, Welfare, Safety, and Security of everyone involved in a crisis situation, the program's proven strategies give human service providers and educators the skills to safely respond to various levels of risk behavior while balancing the responsibilities of care.

Therefore, it is recommended...

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve The overnight travel to Colorado Springs, Co. to attend the 2019 CPI Nonviolent Crisis Intervention Training not to exceed by $9100.00 and to be paid from the 2018-2019, General Fund: Sped In-state Conference account.
TOPIC: APPROVAL FOR THE LICENSE RENEWAL OF LEARNING ALLY WHICH PROVIDES ACCESS TO AUDIOBOOKS WITH FICTION, NON-FICTION, AS WELL AS TEXTBOOKS FOR STUDENTS WITH READING DEFICIENCIES

Learning Ally provides struggling readers with equitable access to the books they want to read and the grade level content they need to have access to. They have the largest library of human-read audiobooks and a suite of educator’s tools and resources. Learning Ally helps students become engaged, independent learners. Any student with a documented reading deficiency in the district can have access to this tool. This includes students with Read Plans, IEPs, 504s, and ELL Plans. Our department has utilized this tool for the past several years and students love participating in the national reading games that Learning Ally does. Most recently, Kearney Middle School scored in the top 200 schools in the nation with the amount of books they accessed using Learning Ally. The total expenditure with Learning Ally is $15,000.00.

Therefore, it is recommended….

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve the renewal license for Learning Ally for 2019-2020 school year, not to exceed $15,000.00.
Superintendent's Recommendation

TOPIC: APPROVAL TO CONTRACT WITH NATIONALITIES INTERPRETATION SERVICES TO PROVIDE INTERPRETING AND TRANSLATION SERVICES FOR ADAMS 14 SCHOOL DISTRICT FOR THE 2019-2020 SCHOOL YEAR

Adams 14 School District is obligated through numerous laws and regulations to provide communication to families in their preferred mode of communication. Under the Individuals with a Disability Act and the Exceptional Children's Education act, all special education documentation must be provided in a families preferred mode of communication. Currently Adams 14 employs two district Spanish interpreters/translators for the Communication Department and the Student Services Department. Other languages are spoken in the school district, which requires the services of an outside agency for support.

Therefore, it is recommended…

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve the contract with Nationalities Interpretation Services for the 2019-2020 school year, not to exceed $25,000, budgeted from general funds to provide translations/interpretation services.
TOPIC: CONTRACT WITH CEDAR CREST HOSPITAL, TEXAS, TO PROVIDE EDUCATIONAL INTERVENTIONS FOR STUDENTS WITH SIGNIFICANT EMOTIONAL DISABILITIES

For some students with emotional disabilities, the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. In that case, the District must ensure that a continuum of alternative placements is available to meet the needs of students. Placement decisions are made by a full IEP team, including the parents, when evaluation data, special education needs and placement options are considered. Sometimes, students are also placed into residential child care facilities by the courts. When alternate placements are made, the students must receive a Free and Appropriate Public Education, at no cost to the family. Cedar Crest Hospital program provided students with emotional disabilities who require intensive behavioral, communication, educational, and social/emotional supports. This population is a low incidence population and since Adams 14 School district is small in numbers, it would not be cost effective to provide the same level of services in district.

Therefore, it is recommended…

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve the contract with the Cedar Crest Hospital, Texas for the 2019-2020 school year, not to exceed $30,000 funded through IDEA B to provide educational and therapeutic professional services for students with severe behavioral issues.
TOPIC: APPROVAL TO CONTRACT WITH SAVIO HOUSE FACILITY TO PROVIDE EDUCATIONAL INTERVENTIONS FOR STUDENTS WITH SIGNIFICANT EMOTIONAL DISABILITIES 2019-2020 SCHOOL YEAR

For some students with emotional disabilities, the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. In that case, the District must ensure that a continuum of alternative placements is available to meet the needs of students. Placement decisions are made by a full IEP team, including the parents, when evaluation data, special education needs and placement options are considered. Sometimes, students are also placed into residential child care facilities by the courts. When alternate placements are made, the students must receive a Free and Appropriate Public Education, at no cost to the family. Spectra Autism program provides students with emotional disabilities who require intensive autism, behavioral, communication, educational, and social/emotional supports. This population is a low incidence population and since Adams 14 School district is small in numbers, it would not be cost effective to provide the same level of services in district.

Therefore, it is recommended…

RECOMMENDATION:

…that the Board of Education of Adams County School District 14 approve funds to the contract with Savio House for the 2019-2020 school year for students, not to exceed $25,000, funded through IDEA B to provide educational and therapeutic professional services for a student with autism as determined by the IEP team.
