Superintendent's Recommendation

TOPIC: POLICY IKF – GRADUATION REQUIREMENTS Graduation Requirements

There is a need for the District to correct District Policy IKF Graduation Requirements. The reason for this minor change is to correct our policy to realign with previous requirements listed in Board Policy prior to our update.

Therefore, it is recommended . . .

RECOMMENDATION

...that the Board of Education of Adams County School District 14 discuss the updates to policy IKF – Graduation Requirements on first reading.

GRADUATION REQUIREMENTS

Graduation requirements are an expression of the Board of Education's commitment to the development of the full learning potential of all students. Graduation requirements are based on the units of credit earned in grades 9 through 12 or on a combination of units of credit earned and demonstrated achievement of state and district content standards, depending on year of enrollment.

The Board of Education supports student preparation for post-secondary education and career, and strongly encourages students to participate in a rigorous academic core curriculum consisting of 4 years of English, 4 years of math, 4 years of science, and 4 years of social studies and at least 1 year of a world language as required by the Colorado Commission on Higher Education (CCHE) for admission to four year public colleges and universities in Colorado. Students may receive counseling services in order to help them develop a plan to meet the requirements for a four-year state university or college.

Public two-year colleges have open enrollment policies, meaning that students applying to these schools do not need to meet the CCHE admissions requirements. Meeting the CCHE admissions requirements does not guarantee admission to a four-year public institution. Colleges and universities may have additional requirements.

Students who will complete their graduation requirements in less than twelve 12-week terms, (or equivalent), shall complete an application for early graduation. This application shall be completed upon the approval of the parent with the guidance of school staff and shall be presented to the high school principal, or his designee, and to the Division of Student Learning for approval.

Transfer students shall attend an Adams County School District 14 (ACSD) high school for a minimum of one full 12-week term (or equivalent) to qualify for graduation. The principal may be petitioned for a waiver. Adjustments in required state and district content shall be identified as soon as possible after enrollment for students who enter the first term of the tenth grade. Those entering by the beginning of tenth grade shall meet all content requirements.

<u>Credit Requirements</u>

Minimum Credits for Graduation	23.00	23.00	23.00

To graduate from an ACSD 14 school, a minimum of 23.0 credits is required, therefore to meet the CDHE requirements a student must take one additional credit in math and one additional credit in foreign language that can be used as "Academic Electives" or as "Other Elective" effective for graduation in 2019 and beyond.

Class Rankings and Grade Point Averages

Graduating seniors shall be ranked within the graduating class upon the basis of grade-point averages for the four-year program, excluding the last semester of the senior year. The process that determines the selection of valedictorian and salutatorian for each high school is promulgated and kept in file in the office of the principal at each school.

Grades for regular classes will be given the following values: A=4.0, B=3.0, C=2.0 and D=1.0. Grades for advanced placement classes, honors classes, and college classes will be given the following values: A=5.0, B=4.0, C=3.0 and D=2.0 and F=0.0.

Such grades as pass/fail or satisfactory/unsatisfactory shall not be counted in determining class rank or grade point average.

After a course has been passed, no future grade earned in the same course shall be used to determine class rank or grade point average. The student with the highest-class rank will be valedictorian. When more than one student holds the numerical one rank, all students holding the rank will be declared co-valedictorians.

Credit for College Classes

Academic credit granted for course work successfully completed by a student under the Postsecondary Options/Concurrent Enrollment program shall count as high school credit toward graduation requirements.

Academic Electives

Acceptable academic electives include additional courses in English, Mathematics, Natural/Physical Sciences, social sciences, foreign languages, art, music, journalism, drama, computer science, honors, advanced placements, and Career and Technical Education (CTE) courses that follow have a Program of Study (POS).

Credit for Physical Education

Students may earn up to 1.0 credit of physical education by successful completion of theatre/dance class, completing a season of athletics, participating in marching band or ROTC, and Independent Study for physical education. Students may also receive a .50 physical education credit for lettering in varsity sports.

Credit from Other Institutions and Home-Based Education Programs

All students entering from outside the district must meet the district graduation requirements. All attempts should be made to honor courses, which have been transcribed using common course codes. However, the principal shall determine whether credit toward graduation requirements shall be granted for courses taken outside the district. Students, who are currently enrolled in the district and wish to obtain credit from outside the district or through "on-line" programs, other than what is offered through Adams 14 School District must have prior approval from the principal. Credits will be accepted from other accredited institutions or as evaluated by the principal.

The district shall accept the transcripts from an approved home-based educational program. In order to determine whether the courses and grades earned are consistent with district requirements and district academic standards, the district shall require submission of the student's work or other proof of academic performance for each course for which credit toward graduation is sought. All students from home-based programs must demonstrate proficiency in the district-adopted content standards at their appropriate placement level before being placed in that particular grade. The district may test the student to determine placement.

Independent Study

Independent study, work experience, and experienced-based programs approved in advance by the principal may be taken for high school credit. Students must submit a request for approval

that includes a summary of the educational objectives to be achieved and monitored by a faculty member.

State and District Content Standards

The Board of Education recognizes that high expectations and high standards for student achievement are necessary so that students will be well prepared for continuing education and entry into the work force. Therefore, in addition to earning the required number of credits, graduating students will be required to meet state and district content standards.

Students will demonstrate achievement of the required state and district content by meeting the required standard of performance on the assessments and by earning credit in the required areas. Credit may be granted retroactively for a prerequisite course if a student is advanced to the next level course in the sequence and earned credit at that level.

These performance requirements may be waived by the building principal for a special education student, but only if consideration of his/her individualized educational plan suggests that a waiver is necessary. Other circumstances which require special consideration such as learning needs, health situations, emergencies, and conditions which are beyond the student's ability to control, may also be the basis for granting a waiver by the principal, or the creation of an individualized learning plan for the student.

Credit shall be conferred by the Board of Education through its administrative personnel. Each building principal shall exercise professional judgment to meet the individual needs of students.

Revised: 8/13/96, 6/14/05, 9/9/08, 6/23/09, 4/26/11, 10/9/18

Superintendent's Recommendation

TOPIC: APPROVAL TO PURCHASE SUPERKIDS FROM ZANER-BLOSER FOR ENGLISH LITERACY INSTRUCTION IN THE BILITERACY CLASSROOMS

During the December 11, 2018, the Board of Education approved the purchase of resources from Zaner-Bloser for English literacy instruction for Biliteracy classrooms. The recommendation stated the funding source would come from English Language Proficiency Act grant funds. However, READ Act grant funds should have been listed as the funding source for this particular expense.

Superkids® is a comprehensive English language arts curriculum crafted for grades K–2 using evidence-based literacy practices and supported by a dedicated literacy team. This proven effective program follows a unique, systematic, and explicit instructional path through engaging, increasingly complex text.

Elementary K-2 biliteracy classroom teachers received the training from Zaner-Bloser on November 30, 2018 by certified trainers. We have purchased the materials for all non-biliteracy classrooms in the district. We are requesting permission to purchase materials for biliteracy teachers who will use the program during their English Language Arts time. This programming is supplemental to their native language (Spanish literacy) instruction and the allocated 45-minute English Language Development (ELD) block.

The purchase in the amount of \$123,465.42 for the 2018-2019 year will be funded with 2018-2019 READ Act Grant Funds.

Therefore, it is recommended...

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the purchase of the Superkids materials at a cost of \$123,465.42, in partnership with Zaner-Bloser for the implementation of English Language Arts to ensure the rigor of Colorado State ELA Standards are met by all students through the use of READ Act Grant Funds.

Superintendent's Recommendation

TOPIC: APPROVAL FOR STUDENT SERVICES DEPARTMENT TO USE FUNDS FOR FOOD/BEVERAGES

The Student Services Department of Adams 14 will be offering Professional Development Training for our Special Education Staffing Chairs Pk-12, and hold a department retreat to address the needs of our district in regards to Special Education. The trainings will continue to be held once a month after school January through June 2019 and the 1 day retreat will be held in January.

The Student Services department is requesting permission from the Board of Education to purchase refreshments for teachers who are attending evening sessions and to provide lunch and refreshments for staff members participating in the one-day retreat.

The estimated cost of refreshments and the one-day retreat lunch is \$2,000 to be paid with funds from the 2018-2019 Non-Instructional General Fund.

Therefore, it is recommended...

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the expenditure not to exceed in the amount of \$2,000.00 from the Non-instructional General Fund to purchase refreshments for teachers participating in the professional development provided by Student Services and to provide lunch for the one day retreat.

Superintendent's Recommendation

TOPIC: APPROVAL TO RENEW BARRACUDA SERVICE CONTRACTS FOR EMAIL FILTERING AND ARCHIVING

Adams 14 currently utilizes Barracuda Networks to secure the District's email infrastructure as well as provide email archiving services as required by Board Policy EGAEA and Title 24 - Article 80 of the Colorado Revised Statutes. As Adams 14 has migrated our email infrastructure to cloud hosted services, we are now migrating our hardware service contracts to cloud hosted service contracts.

Funding for this renewal is included in the approved 2018 – 2019 General Fund.

Therefore, it is recommended...

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the renewal of the Barracuda Networks Email Filtering and Archiving service contracts from The Root Group for \$17,018.10 using funds from the approved 2018 – 2019 General Fund.

Superintendent's Recommendation

**TOPIC: APPROVAL OF TRAVEL FOR AN OVERNIGHT COMPETITIVE FIELD TRIP
BY THE ADAMS CITY HIGH SCHOOL VARSITY WRESTLING TEAM ON
JANUARY 11-12, 2019**

Adams City High School wrestling is seeking approval for travel and an overnight competitive field trip. The trip will be to the 2019 Alamosa Invitational at Alamosa High School. The tournament will provide us an opportunity to challenge ourselves against some of the best teams in the state, including the 2018 Class 3A State Champions, Alamosa High School. The trip is a distance of 246 miles round trip and head coach Jared Deaguero will be taking up to 14 student wrestlers and 4 coaches. Transportation to the tournament will be by school district bus. We will need to stay overnight on Friday, January 11 through Saturday January 12 and will be staying at the Rodeway Inn. School district bus will be transporting us to and from hotel and tournament site.

The purpose of this competitive field trip is to give the student athletes experience against some of the best competition the state has to offer, as well as exposing them to a wide variety of styles and techniques. They will also gain valuable life experience of learning to demonstrate their best competitive spirit, sportsmanship, citizenship, along with showcasing their talent and representing the Commerce City community in a positive manner at a state level.

Therefore, it is recommended...

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the overnight competitive field trip by the Adams City High School varsity wrestling team to the Alamosa Invitational, in Alamosa, CO, on January 11-12, 2019. Travel will be by school district bus. The registration fee for the tournament, which is \$250 for the team, the hotel rooms, approximately \$250, and the meals for the weekend, approximately \$150, will come from our tournament account.
