Supplemental Superintendent's Recommendation

TOPIC: APPROVAL TO ACCEPT FUNDS FROM THE COLORADO DEPARTMENT OF EDUCATION EMPOWERING ACTION FOR SCHOOL IMPROVEMENT GRANT

The Federal Programs Department is requesting approval to accept funds from the Colorado Department of Education Empowering Action for School Improvement (EASI) grant in the amount of \$883,800 for January 1 – June 30, 2019. The purpose of this funding to allow a school district to identify needs and explore options through an external holistic or specialized diagnostic review with input from community and stakeholders to build an improvement plan centered on prioritized needs for rapid, effective turnaround work. The goal is to have a well-developed improvement plan in place with supports from the Colorado Department of Education and an external partner.

Therefore, it is recommended ...

RECOMMENDATION:

... that the Board of Education of Adams County School District 14 approve the acceptance funds from the Colorado Department of Education Empowering Acton for School Improvement (EASI) grant in the amount of \$883,800 for January 1 – June 30, 2019.

Superintendent's Recommendation

TOPIC: APPROVAL OF ASPHALT REPAIR AT ADAMS CITY HIGH SCHOOL

The Adams 14 Operations Department completed the Request for Proposal process to repair approximately 237,850 square feet of asphalt at the Adams City High School. RFP #1819-044 was published via the Rocky Mountain E-Purchasing System to which three companies matched the solicitation and Sunland Asphalt was selected as the vendor.

Therefore, it is recommended...

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the asphalt repairs at Adams City High School for the total cost of \$85,592.85 budgeted from the 2018-19 Capitol Project Fund Budget.

FEBRUARY 26, 2019

Superintendent's Recommendation

TOPIC: APPROVAL TO INCREASE CONTRACT WITH TENNYSON CENTER TO PROVIDE EDUCATIONAL AND THERAPEUTIC INTERVENTIONS FOR STUDENTS WITH SIGNIFICANT EMOTIONAL DISABILITIES

For some students with emotional disabilities, the nature or severity of the disability is such that education in regular classes with the use of supplementary aids and services cannot be achieved satisfactorily. In that case, the District must ensure that a continuum of alternative placements is available to meet the needs of students. Placement decisions are made by a full IEP team, including the parents, when evaluation data, special education needs and placement options are considered. Sometimes, students are also placed into residential child care facilities by the courts. When alternate placements are made, the students must receive a Free and Appropriate Public Education, at no cost to the family. Mt. Saint Vincent program provided students with emotional disabilities who require intensive behavioral, communication, educational, and social/emotional supports. This population is a low incidence population and since Adams 14 School district is small in numbers, it would not be cost effective to provide the same level of services in district.

Therefore, it is recommended...

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the increase to the Tennyson Center contract for the 2018-2019 school year, not to exceed a total of \$75,000 excess costs for students with significant emotional needs as determined by the IEP team.

Superintendent's Recommendation

**TOPIC: APPROVAL TO INCREASE PURCHASE SPENDING LIMIT WITH VENDOR
AMERICAN LOGISTICS COMPANY FOR INCIDENTAL TRANSPORTATION
SERVICES FOR THE 2018-2019 SCHOOL YEAR**

Students with disabilities sometimes require specialized therapeutic settings off-site to be successful and also require specialized transportation to such facilities. When it is impractical or impossible to dedicate in-district transportation resources to a distant route, it becomes necessary to contract with another agency to provide transportation services. Throughout the school year, we have needed this service for more students than what was planned for, most of whom attend an out of district facility. Therefore, Student Services is requesting approval to increase the spending limit with A.L.C. an additional 95,000.00, which will bring the total expenditure with this vendor to \$345,000.00.

Funding for this service is included in the approved 2018-19 General Funds Transportation Budget and Medicaid Transportation Budget.

Therefore, it is recommended...

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve increasing the spending limit with A.L.C. an additional \$95,000 for the 18-19 school year to provide transportation in individual circumstances as required to meet student needs.

Superintendent's Recommendation

TOPIC: APPROVAL OF OUT-OF-STATE TRAVEL TO SCOTTSDALE, ARIZONA FOR THE 2019 CPI INSTRUCTORS' NATIONAL CONFERENCE on JULY 13-18, 2019

The Director of Student Services request permission to attend the CPI Instructor's National Conference in Scottsdale, Arizona July 13-18. The Director of Student Services serves as the Lead Instructor for the district Non-Violent Crisis Intervention Team and has 10 years of experience as an Instructor.

Cost for attending the conference will include renewal of instructor certification, travel, lodging, and Per Diem; projected cost is \$4170.00 and not to exceed \$4,500.00.

Non-violent crisis intervention training certifies individuals in the district in de-escalation and physical restraints. Emergency safety intervention training is a requirement of state law.

The cost of the conference is covered under the General Fund from Student Services.

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the out of state travel to Scottsdale, Arizona for the CPI Instructors' National Conference July 13-18, 2019 funded through the General Fund under Student Services.

Superintendent's Recommendation

**TOPIC: APPROVAL TO INCREASE PURCHASE SPENDING LIMIT WITH VENDOR
CENTER FOR APPLIED LINGUISTICS FOR PROFESSIONAL
DEVELOPMENT FOR BILINGUAL TEACHERS**

The Culturally and Linguistically Diverse Education (CLDE) Department requests to spend an additional \$8,460 to plan for professional development around implementing an expanded bilingual program. The Center for Applied Linguistics (CAL) is a non-profit organization that specializes in providing resources around policy and professional development in areas related to bilingual education and English language development.

CAL provided Spanish literacy training for all district bilingual teachers in September 2018. The CLDE Department would like to build upon that training to support bilingual teachers in implementing an expanded bilingual program in the 2019-2020 school year.

This planning portion of the training fee will allow CAL staff to work with our district team in planning for the training that will be held in July.

Therefore, it is recommended...

RECOMMENDATION:

...that the Board of Education of Adams County School District 14 approve the purchase of services from the Center for Applied Linguistics not to exceed \$22,000 for the 2018-2019 school year using ELPA grant funds.
