2019-2020 State Testing Opt-Out Form

The Colorado Measures of Academic Success (CMAS) is an assessment system designed to measure student mastery of the Colorado Academic Standards. CMAS includes testing for English Language Arts, Math, Science, and Social Studies in grades 3 - 8. Students participate in PSAT preparatory exams in grade 9 - 10 and the SAT college entrance exam and CMAS Science in grade 11. Students who qualify for alternate assessments are those with significant cognitive disabilities for whom general state assessments are not appropriate. The Colorado Alternative assessment (CoAlt) is the alternative assessment for English Language Arts, Math, Science and Social Studies for students in grades 3 – 11.

In December of 2009, Colorado adopted revised academic content standards progressing from early school readiness to postsecondary competencies reflective of both workforce readiness and 21st century skills. Student progress toward these outcomes is measured through results from CMAS, PSAT, and SAT, which provide information to teachers as they incorporate the content standards into their daily instruction. These results are also used for school and district accountability.

By opting out, I recognize that I will not receive results of my child’s achievement and growth as measured by these assessments. I also understand that educators use these results for instructional planning, class placement, and academic screening, and that this information will not be available to my child’s educators.

To opt-out of state testing, this form must be filled out by the parent/guardian

Date: ___________   Grade: ___________   Student ID Number: __________________________

Student’s Legal First Name: ______________________________

Student’s Legal Last Name: ______________________________

School Name: ______________________________

Please indicate which test(s) you are opting out of for the 2019-2020 school year:

Please mark the box next to the assessment you would like to opt your student out of. Parents/guardians may opt students out of one or multiple subjects.
